Application Instructions:

1. Confirm your new Smart or weather-based irrigation system controller is eligible: (Refer to program guidelines)
 - § Provide make and model of new Smart controller being installed.
 - § Provide purchase price of new Smart controller (excluding taxes).
 - § Is Smart or weather-based irrigation system controller *Smart Water*-approved? For a complete list of *Smart Water* tested controllers go to http://www.irrigation.org/swat/control_climate/ and then scroll to the bottom of page.
 - § Is the controller rated at 100% irrigation adequacy and 0% irrigation excess (100/0)?
 - § Was Smart controller purchased on or after July 1, 2010?
2. Purchase and install *Smart Water*-approved Smart or weather-based irrigation system controller.
3. Complete the rebate application.
4. Mail in or drop off a completed application with original, dated receipt to the address above.
5. If approved, your account will be set up to receive a credit equal to 1/6th of the rebate amount over the following six billing cycles. We will contact you, in accordance with your preference listed above, to notify you of approval for rebate and the amount approved. Please contact our billing office at (828) 697-3052 if this credit amount does not show on your bill.

For additional assistance please call (828) 697-3073.
