RE: Publicity Report for March Board meeting
DATE: March 1, 2016

Below is the current 2016 Calendar of Events. Our program on Thursday, Feb. 25, was well received. Presenter Paul O'Neill made this post-event comment to me via email:

Mary Jo,

I enjoyed doing the program very much. The tree board should be commended for their proactive attitude towards informing the community about the value of trees. I look forward to working with you again in the future.
