**Please note: Upon appointment to a board/committee, the information contained in this application becomes a matter of public record per North Carolina General Statutes 132-1 and may be published or released. Your application will be kept on file for a period of one year and then destroyed. You may reapply after that time period.*

The City of Hendersonville appreciates your interest in serving on our boards. In the event there is not a vacancy at the time of your application, the City Clerk will retain your application on file for a period of two years and will present it to the City Council for consideration when a vacancy occurs.

Because these boards are authorized to exercise any one or more of the following functions: legislative, policy-making, quasi-judicial, administrative, or advisory, each is subject to the open meetings law which requires meetings be open to the public. A schedule of meeting times and places is posted at City Hall for those boards that hold regular meetings.

All members, with the exception of the ABC Board, serve without compensation.

For certain positions, the City Council has expressed a desire to "interview" applicants - to get to know them and their interests so the applicant may be matched to a commission or board for which they are well suited. The City Clerk will notify you if this is necessary.

NCGS §128.1.1 authorizes any person who holds an appointive office, place of trust or profit in State or local government, to hold only **one** other appointive or elective office **concurrently**. Because of potential conflicts in the event of appeals, members of the Board of Adjustment may not be appointed to another City-authorized board or committee.

In addition to these boards, there are several ad-hoc or standing committees which advise the City Council on specific issues.
