Question:

- "What's the budget?"

Answer:

- The City has included \$150,000 in the budget for this project. In addition, the City has been awarded a planning grant in the amount of \$50,000 to put towards downtown planning. However, the City reserves the right to 1) make the award within currently budgeted and available funds, including accepted alternates (if any); or 2) increase the project budget and select a proposal whose price exceeds currently budgeted and available funds, including alternates accepted (if any); or 3) reject any or all proposals. The City's decision will be based upon what will best serve the interests of the City.
