Memorandum

From: CTB Manager Amber Kleppe

Ref: October 2026 LPRS Audit

During the month of October, there were 300 searches conducted by users in our agency. All searches this month met search requirements as set forth by General Order 1006 – License Plate Recognition System. The audit assist feature in the LPR system flagged three plate searches conducted during the month. They were:

1) A single user conducted a plate search multiple times that no other user searched. The review confirmed the search served a legitimate law enforcement purpose related to OCA 2026-38490, an order for arrest for Felony Probation Violation. The flag was noted and archived.
2) A single user conducted a plate search multiple times that no other user searched. The review confirmed the search served a legitimate law enforcement purpose related to two separate case numbers: 2026-36801 and 2026-35342

    a. 2026-36801 – associated to an order for arrest for misdemeanor larceny
    b. 2026-35342 – associated to a welfare check request where the operator had made statements of self-harm.

3) A single user conducted a plate search multiple times that no other user searched. The review confirmed the search served a legitimate law enforcement purpose related to OCA 2026-36598, a warrant for arrest for Domestic Violence Protection Order Violation.

To ensure an adequate sample was audited this month, 33 additional searches were randomly selected for review.

1) 2026-38892 – The user conducted a legitimate law enforcement search to identify a suspect vehicle and disseminate a BOLO to the agency to locate a suspect who passed counterfeit currency at numerous locations in Henderson County.
2) 2026-38784 – The user conducted a legitimate law enforcement search to identify a suspect vehicle involved in a hit and run where the plate information recorded by a witness was inaccurate.
3) 2026-38410 – The user conducted a legitimate law enforcement search when following up on a death investigation resulting from a drug overdose.
4) 2026-38656 – The user conducted a legitimate law enforcement search to identify a suspect vehicle involved in scamming an elderly citizen of $19,000.

5) 2026-37423 – The user conducted a legitimate law enforcement search to identify a suspect vehicle in a potential kidnapping.
6) 2026-37307 – The user conducted a legitimate law enforcement search to identify a suspect vehicle involved in a disturbance at a local restaurant.

At the completion of the monthly audit, I found no evidence of misuse.
