RE: FY2026 BUILD Grant Application – Hendersonville Downtown Streets Modernization Project: New Streets for New Business

Dear Secretary Duffy:

Hands On! Children's Museum strongly supports the BUILD grant application "Hendersonville Downtown Streets Modernization Project: New Streets for New Business," which is the result of a collaboration between the City of Hendersonville, Henderson County, NCDOT, and other local stakeholders. As a longtime anchor institution and a major contributor to family-focused tourism in Western North Carolina, Hands On! is enthusiastic about the opportunities this project brings for the continued growth and vitality of our historic downtown.

The Hendersonville Downtown Streets Modernization project will improve safety for pedestrians and bicyclists along two historic downtown corridors; provide a comfortable and welcoming public realm for families, individuals, and visitors; rebuild connections between underserved neighborhoods and downtown; act as a catalyst for tourism and economic development; improve resilience to flooding events; and create improved connections to multiple major regional trails. By supporting this effort, USDOT can showcase a project that aligns closely with the Trump Administration's objectives, including:

- Creating a safer local transportation system,
- Increasing quality of life for local families and individuals, and visitors,
- Providing improved accessible, affordable, and connected transportation options while maintaining vehicular roadway capacity,
- Creating local jobs and supporting local businesses, increasing tourism, and promoting economic opportunity

In summary, the Hendersonville Downtown Streets Modernization will act as an engine—powering healthy, climate-friendly, resilient, and integrated transportation and recreation options and economic transformation for this region. Thank you for considering our application for BUILD Program funding.

Sincerely,

Joseph C. Knight
Director and Chief Executive Officer
